SUMMARY REPORT OF THE COURSE

The Certificate Course in India and World Affairs is intended to orient the students to the international relations with reference to India's role in it.

This year total 24 students enrolled to this course out of which 13 students successfully completed it. Course was for 60 hours and the total fees for this course was Rs. 250. The course was inaugurated in October 2021 and was concluded with the internal exam in July 2022 and the external exam in August 2022. The course was conducted in blending teaching method. It was also designed in such a way that its theoretical component enhanced students' basic knowledge and critical thinking in the subject while its practical component built various skills in them such as map activities, Power Point Presentation, poster making etc. The course was also helpful for those students who were also preparing for competitive exams.

Overall this course has no doubt helped the students to comprehend international relations and to locate India's role in shaping the global politics.

Note: Since this was pandemic year it took longer than expected to cover both theoretical and practical component of the course.
